

Information for our Guests attending FunworX, Boston Pizza Kingpin, Kingpin Cambridge

Coronavirus (COVID-19)

The health, safety and well-being of our guests is our top priority. We are paying close attention to direction from the World Health Organization, Public Health Agency of Canada, and Waterloo Region Public Health on the specifics of the Novel Coronavirus (COVID-19).

What to Expect Onsite

In addition to regular health and safety procedures, the following additional measures have been implemented:

- Increased cleaning and disinfection of all high-volume touchpoints, including, surface areas, handrails, washrooms, door handles, playstructure, arcade games, bowling balls, touch screens etc.
- Increased availability of alcohol-based hand sanitizer stands throughout our facilities at all points of entry.
- We use an electrostatic sprayer disinfectant process that kills bacteria, viruses (including Coronavirus (COVID-19), fungi, mold and mildew.
- Specific entry and exit doors for access
- Ability to purchase activities and reserve times online for the majority of our experiences
- Marked travel paths in facilities to minimize the potential for cross overs.
- We continue to monitor the situation closely and will adapt plans accordingly
- Each of our areas of operations and activities has developed specific operating procedures for both our staff and our guests; please visit our website to view these protocols

Healthy Travel Practices

Whether travelling locally or from abroad, healthy habits should be practiced at all times.

During seasons with a higher risk of illness, follow these precautionary steps to help prevent the spread of infection:

- Thoroughly wash hands or use alcohol-based sanitizer
- Cover mouth and nose when coughing, sneezing or blowing nose. Put used tissue in the garbage. If no tissue available, cough or sneeze into sleeve, not hands.
- Stay up-to-date on vaccinations
- Avoid close contact with anyone showing symptoms of respiratory illness
- Avoid touching eyes, nose and mouth

Visit the [World Health Organization](#) or [Region of Waterloo Public Health](#) for the latest health information.

For information on travelling to and from Canada, specifically related to coronavirus, visit the [Public Health Agency](#)

The safety and security of our staff and guests is a priority at Bingemans. As such Bingemans has increased safety, cleaning/sanitizing and taken other measures to aid in preventing the spread of Covid-19 and other communicable viruses and diseases. Despite our increased efforts, due to the infectious nature of these viruses and diseases and the many patrons and guests visiting our facilities and venues, Bingemans cannot and does not guarantee that our facilities are virus free or that patrons and guests will not be exposed to viruses and other communicable diseases from staff or any other patrons or guests. Accordingly, Bingemans assumes no liability in respect of the spread of any virus or infectious disease and all patrons and guests attending at any Bingeman facility or venue do so at their own risk.
