

## Coronavirus (COVID-19) Update – April 1, 2020 5pm

The health, safety and well-being of our guests is our top priority. We are paying close attention to direction from the World Health Organization, Public Health Agency of Canada, and Waterloo Region Public Health on the specifics of the Novel Coronavirus (COVID-19).

### Snowbird RV Camping

Firstly, we would like to thank all our clients and patrons for their support during these continually evolving times we all are experiencing in dealing with Covid19.

The Government of Canada has put in place an Emergency Order under the Quarantine Act that applies to all travellers arriving in Canada in order to slow the spread of COVID-19. All travellers returning from destinations outside of Canada are required to [self-isolate for 14 days](#)

Effective, April 3, 2020, camping at Bingemans is currently designated for snowbirds that do not have another accommodation option such as their own permanent residence.

There is strict criteria as well as rules that we have in place while you are staying with us and ALL RVs must be fully self-contained in order to be approved to camp.

If you would like further information please contact Bingemans Camping Manager:

[camping@bingemans.com](mailto:camping@bingemans.com) or 519-744-1002

Thank you for your cooperation and please stay healthy and safe.

We will continue to provide updates as they evolve. If you would like to be added to our newsletter for these updates please [click here](#).

Visit the [World Health Organization](#) or [Region of Waterloo Public Health](#) for the latest health information.

For information on travelling to and from Canada, specifically related to coronavirus, visit the [Public Health Agency](#)
