

## Coronavirus (COVID-19) Update – July 2021

The health, safety and well-being of our guests is our top priority. We are paying close attention to direction from the Federal and Provincial Governments, Public Health Agency of Canada, and Waterloo Region Public Health on the specifics of the Novel Coronavirus (COVID-19).

### Daycamp Update

To our Day Camp Parents,

Our team has been hard at work in planning and we are pleased to be able to offer our day camp programs. We had hoped that for the 2021 Camp Season that we may be operating with a few less restrictions than last year but at this time the same protocols are in place. We were all hoping that the children would be able to enjoy the Waterpark and some of the inside attractions this year as they were unable to in 2020 but unfortunately this will not be the case due to the Covid-19 prevention measures including physical distancing requirements. For the health and safety of our campers and our staff members, there are significant changes that we have to make to our programs in order to meet the guidelines that are put in place by the Provincial Government and the Ministry of Health, as well in consultation with our local public health unit.

### What to Expect Onsite

In addition to regular health and safety procedures, the following additional measures have been implemented:

- Lower ratios 1:6 – each group will have 12 children and 2 counselors for a total group size of 14, Jr. Summer Fun will be 1:4 and each group will have 8 children and 2 counselors.
- Staff members will be wearing masks and eye protection when unable to maintain 2M physical distancing.
- Children are not required to wear masks outside, but must have a mask when entering the washroom or any indoor facility in case of inclement weather. **Please pack a mask.**
- Day camp area – This will be located outside in our lower marquee and playfield area just past the Embassy Room. Lots of trees for shade, loads of space to physically distance each group, park right at the day camp area, no walking through FunworX and down the hill! (\*\* Esports AM Camp will drop off at FunworX and pick up in the new area, Esports PM Camp will drop off in the new area and pick up at FunworX). Canoe Camp is located at the Riverside Picnic Shelter beside the Embassy Room)
- Each group will have its own designated drop off and pick up area which will be communicated in advance to parents, (a map will be provided), child(ren) will then be escorted to their group by a staff member, who will be wearing a mask and eye protection if 6 ft distance cannot be maintained.
- Upon pick up the child will be brought from their group by a staff member to the designated pick up area to the parent.
- Screening process is in place, a QR code can be scanned onsite with your mobile device to answer screening questions once completed a green check mark will appear, please show this upon check in. A link will also be sent to parents so that screening can also be completed prior to arrival at camp, once completed an email will be sent to you as a screening confirmation, please show this upon arrival.
- If your child is feeling unwell they will not be able to attend camp that day, please keep them home for the health and safety of all
- If

- Groups will not be mixing with other groups
- Each group will have picnic tables which will be placed 6' apart to ensure physical distancing. 2 children per table.
- Campers will not be accessing the water park, bowling or FunworX indoor activities to ensure that there is no cross over with the general public
- Designated bathroom facilities for campers and camp staff only
- Only 1 group accesses the bathroom at one time, it is then sanitized before the next group
- Enhanced and more frequent cleaning protocols
- Individually packaged lunches and snacks which are created in our commercial kitchen operation
- We have significantly limited the total number of children that can enroll in our camp programs
- All staff will be trained in COVID19 protocols

***The safety and security of our staff and guests is a priority at Bingemans. As such Bingemans has increased safety, cleaning/sanitizing and taken other measures to aid in preventing the spread of Covid-19 and other communicable viruses and diseases. Despite our increased efforts, due to the infectious nature of these viruses and diseases and the many patrons and guests visiting our facilities and venues or using our services, Bingemans cannot and does not guarantee that our facilities are virus free or that patrons and guests will not be exposed to viruses and other communicable diseases from staff or any other patrons or guests. Accordingly, Bingemans assumes no liability in respect of the spread of any virus or infectious disease and all patrons and guests attending at any Bingeman facility or venue do so at their own risk.***
